# Philip Strobel and Sons Inc

## THE attractiveness of a PUBLIC DINING ROOM for its guests depends to a large extent upon the TABLES AND CHAIRS.

These intimate parts of the dining service affect materially the comfort of patrons. Harmony with decorative features, appropriateness for the purpose, and that quality of material and manufacture which insures long service and resistance to wear, characterize the tables and chairs of Philip Strobel & Sons, Inc. They are made to meet the requirements of this particular field, and are unusually durable and attractive. Café furniture requires a special manufacturing knowledge. Strobel & Sons have specialized in filling the needs of restaurateurs and café owners. The furniture designs show a comprehensive knowledge of café needs and the ability to combine usefulness and efficiency with taste in decoration.

Serving tables of every description, chairs for a multitude of uses, costumers, garment racks, mirrors, card tables and smoking stands are some of the specialties in the Strobel Special Equipment exhibit. All represent a combination of excellent materials carefully put together to fill a special need.

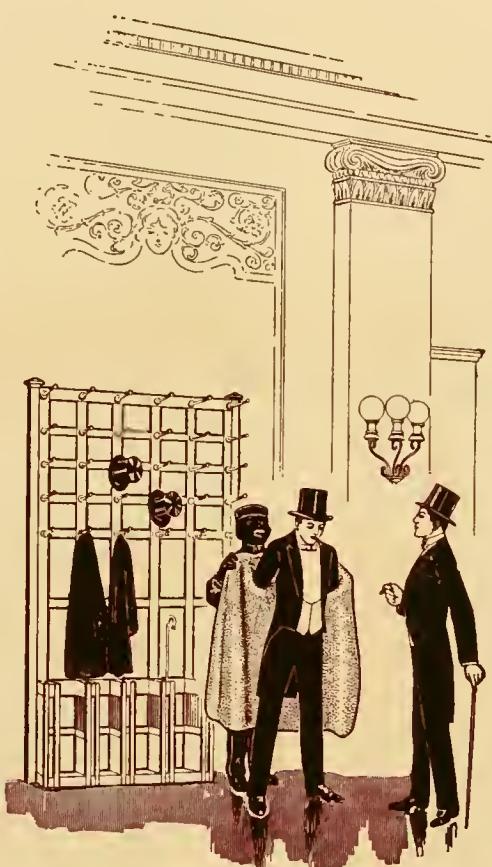

Furniture for the Home Dining Room should reflect taste and refinement. The Home Dining Room Many complete dining suites for private residences are exhibited at the Strobel showroom.

# THE PERFECT CARD TABLE

(Patent No. 919708, April 27, 1909)

THE perfect Card Table is adjustable to any number of players depending upon the diameter and can be readily reduced to the required number by removal of the sliding boxes in the running groove. Its use is by no means limited to card playing alone, but also makes an ideal center table for the Library, Living and Dining Room, Den or Breakfast Room. This table has been extensively used in Private Residences, Apartments particularly, Hotels, Restaurants and Club Houses; has met and is at present meeting everywhere with the most thorough approval.

Strong and splendidly made, as well as handsomely finished throughout. Furnished 4 feet and 4 feet 6 inches diameter for seven and eight players respectively. Larger or smaller sizes to special order.

*See pages 143-154 inclusive for various designs of this table.*
